Description

Charismatic and inviting, we are delighted to offer for sale this impressive extended three-bedroom semi-detached home, occupying an extensive plot within the sought-after village of Easington Village. With its generous internal layout, additional ground floor facilities, substantial south-westerly facing rear garden, and attached garage, this property presents a superb opportunity for families seeking space in a desirable setting.

Upon entering, you are welcomed by a spacious and well-presented entrance hallway lobby. The ground floor features three generous reception rooms — a lounge, dining room, and garden room — all enhanced by the extension, providing versatile living space ideal for modern family life and entertaining. Large windows allow natural light to flow throughout, creating a bright and comfortable atmosphere, while the thoughtful layout ensures a seamless connection between each living area.

The kitchen is well equipped with a range of high-quality fitted wall and base units, integrated appliances, generous worktop space, and room for informal dining. Bi-folding doors open directly onto the rear garden, creating excellent indoor-outdoor flow and making the space perfect for entertaining, particularly during the warmer months.

The property further benefits from a convenient downstairs shower room, fitted with contemporary sanitary ware, offering added practicality for busy households and guests alike.

To the first floor, there are three well-proportioned bedrooms, each offering ample space for furnishings and storage. The accommodation is complemented by a modern four-piece family bathroom, fitted with contemporary fixtures and finishes, featuring a freestanding bath and separate walk-in shower. All bathroom facilities are well maintained and reflect the overall quality presentation of the home.

Externally, the property truly stands out. Positioned on an extensive plot, it boasts a larger south-westerly facing rear garden, enjoying morning, afternoon and evening sun — ideal for outdoor dining, relaxing, or family use. In addition, there is an attached garage (larger than a standard single, though not quite a double), providing excellent storage or workshop potential, along with driveway parking to the front.

Located within the highly regarded Easington Village, known for its strong community feel and convenient access to local amenities, schools, transport links, and surrounding countryside, this home offers an excellent balance of space, setting, and practicality.

Early viewing is highly recommended to fully appreciate the accommodation, plot size, garage space, and desirable village location this property has to offer.
