Description

This detached bungalow is located on Sidlaw Court within the popular Wansbeck Manor estate in Ashington. Originally built as a three-bedroom home, it still offers flexible accommodation and could easily be used as such.

The current owners have added a conservatory to the rear, accessed via French doors from one of the bedrooms. This space would now work well as a study, dressing room or snug, depending on your needs.

The property briefly comprises: a central entrance hallway, kitchen, spacious lounge/diner to the front, family bathroom, master bedroom with en-suite shower room, a second bedroom, and a what was originally the third bedroom leading through to the conservatory.

Externally, there is a low-maintenance gravelled garden to the front, with side access. A driveway to the right leads to a single detached garage, providing secure gated off-street parking for multiple vehicles. To the rear, there is a private, enclosed, low-maintenance garden.
