Occupying a prominent position within the heart of Bartestree, this substantial detached house stands within a notably generous wrap-around plot and offers an increasingly rare opportunity to acquire a property of scale, setting and potential. The house and outbuildings require comprehensive renovation throughout but provide an excellent foundation for reconfiguration, extension or redevelopment, subject to the necessary consents.

The main house extends to just under 2,000 sq. ft, complemented by a large garage of over 300 sq. ft and outbuildings totalling approx. over 1,000 sq. ft. The scale of the plot, combined with the volume of ancillary buildings, will be of particular interest to developers, builders and buyers seeking a long term project in a desirable village location.

The Property

Entrance Porch: A practical enclosed porch providing access into the main house and linking through to the kitchen, utility and hall areas.

Hall: A central hallway with stairs rising to the first floor and access to the principal ground floor rooms.

Sitting Room: A substantial living room measuring over 22ft in width, with windows to the front and side aspects and a central fireplace forming the focal point. The proportions offer clear scope for reworking into a generous family living space.

Dining Room: A large second reception room with dual windows to the front, suitable for formal dining or open plan reconfiguration in conjunction with the kitchen, subject to alteration.

Kitchen: Positioned at the rear of the house and fitted with dated units and finishes, now requiring replacement. The room benefits from adjacent storage pantry, offering excellent potential.

Utility Room: A separate utility providing additional storage and workspace.

Landing: A first floor landing with front window, and access to all bedrooms and bathroom.

Bedroom 1: A generous double bedroom with built-in storage and ample space for reconfiguration, also including an ensuite shower room.

Bedroom 2: A further well-proportioned double bedroom overlooking the gardens.

Bedroom 3: A comfortable third bedroom, suitable for a range of uses including bedroom or home office.

Family Bathroom: Includes a bath with showerhead attachment, pedestal basin and WC, requiring modernisation.

Loft Storage: Accessed from the first floor, providing further storage.

Outside

The property occupies a large wrap-around plot with extensive gardens to the front, side and rear, enclosed by established boundary walls, mature trees and planting. The grounds provide significant scope for landscaping or reconfiguration.

A sweeping gated driveway provides ample parking and turning space and leads to the attached garage and outbuildings.

The substantial two storey outbuilding, extending to over 1,100 sq. ft, incorporates a large garage, workshop, stores and additional rooms across two levels. The scale and construction of these buildings offer considerable future potential, subject to the necessary planning permissions.
