Description

Being Sold via Secure Sale online bidding. Terms & Conditions apply. Starting Bid £450,000

A two-bedroom apartment with panoramic sea views, a large balcony and a garage — finished to a smart standard and available with no forward chain. The balcony is a real feature of this apartment, accessible from both the lounge/diner and the master bedroom, and with sea views that stretch out in front of you.

It's a generous outdoor space and one you'll use properly. The lounge and dining room makes the most of that outlook, and the kitchen/breakfast room is a well-proportioned separate space. The hallway is notably generous — the kind that makes an apartment feel like a home from the moment you step inside. Both bedrooms are a good size, with the master benefiting from balcony access and the second bedroom being a large double in its own right. The block itself is a quality share of freehold building.

A garage is included. Close to the sea and beach, with all the benefit of the St Catherine's Road location. No forward chain.

Please note, there is a restriction on the property that no pets are allowed by owners.
